Timber White Kitchen Cabinets

Introducing Timber White, a fusion of pristine simplicity and refined craftsmanship. Coated in a fresh, clean white finish, each cabinet is crafted from solid mortise and tenon birchwood, accentuating the crisp lines of the angled bevels and the recessed veneered MDF center panel. The bright, neutral tone brings a sense of openness and sophistication, creating a versatile look that enhances both contemporary and classic designs.

All doors and drawers in this cabinet line are made from full High Density Fiberboard (HDF).
