RTA's custom cabinets and vanities feature high-quality, all-wood construction — in classic styles that complement any kitchen or bathroom.

Since 2001, RTA has grown to become one of the largest importers of cabinets from China in the U.S., with two fully-equipped factories in Shanghai, a new 125,000-square-foot distribution center in Northeastern Pennsylvania, and a 20,000-square-foot warehouse/showroom near Philadelphia.

Over the last decade, we have built a reputation for superior quality and exceptional style. You can rely on our experienced designers, premium materials and strict quality control practices for the finest kitchen and bathroom furnishings.
